

FAQ

How will ties be broken if they occur in finals?

- Ties will be broken via a big trick round. 3 judges will each simply vote for the athlete they thought performed the better trick. The athlete with the most votes wins the tiebreaker.

What happens if the judges weren't able to see the skills that I performed?

- It is the responsibility of the athlete to make sure their combo is visible to the judges. Judges are given specific areas of the gym to be for each respective combo. Athletes should tell judges where they can be to best view their finals line.
